SUMMARY

2 This bill makes changes to the State's public pension laws to improve the financial
3 condition of the Maine Public Employees Retirement System. For the next 6 years, the

5 System made by state employees and teachers by 1% of earnable compensation. The bill
6 also reduces for 6 years the cost-of-living adjustments for retirement benefits by 50% for
7 persons with annual pensions greater than \$25,000 but not greater than \$45,000 and
8 suspends for 6 years cost-of-living adjustments for persons with annual pensions greater
9 than \$45,000. Persons with pensions of \$25,000 or less continue to receive cost-of-living
