LR 1505(02)

An Act To Amend the Laws Governing the Maine Health Data Organization Relating to Retail Pharmacies

Fiscal Note for Bill as Amended by Committee Amendment "A" S-138

Committee: Health and Human Services

Fiscal Note Required: Yes

Fiscal Note

Potential current biennium revenue decrease - Other Special Revenue Funds

Fiscal Detail and Notes

Removing retail pharmacies from the list of entities funding and reporting to the Maine Health Data Organization (MHDO) could reduce MHDO Other Special Revenue Funds revenue. The MHDO estimates revenue from retail pharmacies is expected to be \$58,869 in FY 2011. MHDO rules for determining assessments would effectively allow the MHDO to increase assessments paid by other health care payers and providers to offset this lost revenue.
