11 credits under Title 36, section 5219-BB should be ~~extended~~ continued, repealed or  
12 amended. Any such recommendations must include a specific recommendation of  
13 appropriate transition provisions in order that projects in the development or planning  
14 stages are not adversely affected. The joint standing committee may submit  
15 legislation related to the report.

16 **Sec. 2. 30-A MRSA §4722, sub-§1, ¶DD**, as enacted by PL 2009, c. 361, §4 and  
17 affected by §37, is amended to read:

18 DD. Certify affordable housing projects for the purpose of the income tax credit  
19 increase under Title 36, section 5219-BB, subsection 3; administer and enforce the  
20 affordability requirements set forth in this paragraph; and perform other functions  
21 described in this paragraph and necessary to the powers and duties described in this  
22 paragraph.

23 (1) For purposes of this paragraph, unless the context otherwise indicates, the  
24 following terms have the following meanings.

25 (a) "Affordable housing" means a decent, safe and sanitary dwelling,  
26 apartment or other living accommodation for a household whose income  
27 does not exceed 60% of the median income for the area as defined by the  
28 United States Department of Housing and Urban Development under the  
29 United States Housing Act of 1937, Public Law 412, 50 Stat. 888, Section 8,  
30 as amended.

31 (b) "Affordable housing project" means a project in which:

32 (i) At least 50% of the aggregate square feet of the completed project is  
33 housing of which at least 50% of the aggregate square feet of the  
34 completed housing creates new affordable housing; or

35 (ii) At least 33% of the aggregate square feet of the completed project  
36 creates new affordable housing.

37 (2) An affordable housing project for which the owner of the property received  
38 the income tax credit increase under Title 36, section 5219-BB, subsection 3 must  
39 remain an affordable housing project for 30 years from the date the affordable  
40 housing project is placed in service. If the property does not remain an  
41 affordable housing project for 30 years from the date the affordable housing

1 project is placed in service, the owner of the property shall pay to the Maine State  
2 Housing Authority for application to the Housing Opportunities for Maine Fund  
3 established under section 4853 an amount equal to the income tax credit increase  
4 allowed under Title 36, section 5219-BB, subsection 3, plus interest on that  
5 amount at the rate of 7% per annum from the date the property is placed in  
6 service until the date of payment of all amounts due. The affordability  
7 requirements and the repayment obligation in this subparagraph must be set forth  
8 in a restrictive covenant executed by the owner of the property and the affordable  
9 housing project for the benefit of and enforceable by the Maine State Housing  
10 Authority and recorded in the appropriate registry of deeds before the owner of  
11 the property claims the income tax credit increase under Title 36, section  
12 5219-BB, subsection 3.

13 (3) If the repayment obligation in subparagraph (2) is not fully satisfied after  
14 written notice is sent by certified mail or registered mail to the owner of the  
15 property at the owner's last known address, the Maine State Housing Authority  
16 may file a notice of lien in the registry of deeds of the county in which the real  
17 property subject to the lien is located. The notice of lien must specify the amount  
18 and interest due, the name and last known address of the owner, a description of  
19 the property subject to the lien and the Maine State Housing Authority's address  
20 and the name and address of its attorney, if any. The Maine State Housing  
21 Authority shall send a copy of the notice of lien filed in the registry by certified  
22 mail or registered mail to the owner of the property at the owner's last known  
23 address and to any person who has a security interest, mortgage, lien,  
24 encumbrance or other interest in the property that is properly recorded in the  
25 registry of deeds in which the property is located. The lien arises and becomes  
26 perfected at the time the notice is filed in the appropriate registry of deeds in  
27 accordance with this subparagraph. The lien constitutes a lien on all property  
28 with respect to which the owner receives the income tax credit increase under  
29 Title 36, Section 5219-BB, subsection 3 and the proceeds of any disposition of  
30 the property that occurs after notice to the owner of the repayment obligation.  
31 The lien is prior to any mortgage and security interest, lien, restrictive covenant  
32 or other encumbrance recorded, filed or otherwise perfected after the notice of  
33 lien is filed in the appropriate registry of deeds. The lien may be enforced by a  
34 turnover or sale order in accordance with Title 14, section 3131 or any other  
35 manner in which a judgment lien may be enforced under the law. The lien must  
36 be in the amount of the income tax credit increase allowed under Title 36, section  
37 5219-BB, subsection 3, plus interest on that amount at the rate of 7% per annum  
38 from the date the property is placed in service until the date of payment of all  
39 amounts due. Upon receipt of payment of all amounts due under the lien, the  
40 Maine State Housing Authority shall execute a discharge lien for filing in the  
41 registry or offices in which the notice of lien was filed.

42 (4) Annually by every August 1st ~~until and including August 1, 2013~~, the Maine  
43 State Housing Authority shall review the report issued pursuant to Title 27,  
44 section 511, subsection 5, paragraph A to determine the percentage of the total  
45 aggregate square feet of completed projects that constitutes new affordable  
46 housing, rehabilitated and developed using:

2 subsection 2; and

3 (b) The income tax credit increase under Title 36, section 5219-BB,  
4 subsection 3.

5 If the total aggregate square feet of new affordable housing does not equal or  
6 exceed 30% of the total aggregate square feet of rehabilitated and developed  
7 completed projects eligible for a credit under Title 36, section 5219-BB, the  
8 Maine State Housing Authority and Maine Historic Preservation Commission  
9 shall notify the State Tax Assessor of this fact.

17 certified historic structure be substantially rehabilitated.
