9 or section number to read consecutively.

10 **SUMMARY**

11 This amendment strikes the following Parts from Committee Amendment "A":

12 1. Part M, which increases the amount excluded from the estate tax;

13 2. Part N, which establishes a new individual income tax rate schedule, conforms the
14 Maine standard deduction amounts to the federal amounts, repeals the exclusion of
15 mortgage insurance premiums from Maine itemized deductions, conforms the Maine
16 personal exemption amount to the federal amount, eliminates the Maine alternative
17 minimum tax on individuals, reduces the lump-sum retirement plan distribution tax and
18 reduces the early distribution from retirement plan tax;

19 3. Part O, which repeals the income tax addition modifications related to the federal
20 Section 179 business expensing thresholds for tax years beginning on or after January 1,
21 2011 and provides a credit equal to 10% of the federal bonus depreciation on property
22 placed in service in Maine during tax years beginning in 2011 and 2012, excluding
23 certain utility and telecommunications property;

24 4. Part Q, which enacts the Maine New Markets Capital Investment Program, which
25 is modeled after the federal tax credit to attract investment in economically distressed
26 areas;

27 5. Part CCCC, which provides new minimum taxability thresholds for nonresidents.
28 The new thresholds permit greater income-earning activity by nonresidents in the State
29 before Maine income tax liability is triggered. This Part also excludes from the
30 determination of taxability in the State up to 24 days of personal services related to
31 certain training, management functions, equipment upgrades and new investment;

32 6. Part FFFF, which exempts from sales tax plastic bags used by redemption centers
33 to sort, store or transport returnable beverage containers;

34 7. Part GGGG, which expands the current exemption from sales and use tax for
35 aircraft to apply to all aircraft, regardless of weight or the state of residency of the
36 purchaser and expands the exemption to include sales of repair and replacement parts
37 used exclusively in aircraft and in the overhauling and rebuilding of aircraft and aircraft
38 parts; and

8. Part HHHH, which provides an income tax credit for investment in or contributions to eligible public fishery infrastructure projects in the State. The credit applies to both freshwater and saltwater fisheries.

The amendment amends Part T to eliminate the \$20,000 cap on the amount of retirement benefits subject to a cost-of-living adjustment and limits the freeze on adjustments of retirement benefits for members of these retirement programs to one year, instead of 3 as proposed in Committee Amendment "A."
