Reproduced and distributed under the direction of the Clerk of the House.

STATE OF MAINE
HOUSE OF REPRESENTATIVES
125TH LEGISLATURE
FIRST REGULAR SESSION

COMMITTEE AMENDMENT "A" to H.P. 794, L.D. 1059, Bill, "An Act To Correct a Statutory Oversight Regarding Renewable Capacity Resources Portfolio Requirements for Consumer-owned Utilities"

Amend the bill in section 1 in paragraph A in the next to the last line (page 1, line 9 in L.D.) by inserting after the following: "territories" the following: 'If a consumer-owned transmission and distribution utility has one or more contracts as of June 15, 2011 to purchase electric power or energy at wholesale to supply all or part of the retail generation service requirements of its service territory, the consumer-owned transmission and distribution utility is not required to comply with the requirements of section 3210, subsection 3-A until the earlier of the latest date of expiration of the contract or contracts and January 1, 2017'

Amend the bill in section 2 in paragraph A in the last line (page 1, line 18 in L.D.) by inserting after the following: "territory" the following: 'If a consumer-owned transmission and distribution utility has one or more contracts as of June 15, 2011 to purchase electric power or energy at wholesale to supply all or part of the retail generation service requirements of its service territory, the consumer-owned transmission and distribution utility is not required to comply with the requirements of section 3210, subsection 3-A until the earlier of the latest date of expiration of the contract or contracts and January 1, 2017'

Amend the bill by adding after section 2 the following:

'Sec. 3. 35-A MRSA §3207, sub-§3 is enacted to read:

3. License requirements. Nothing in this section may be construed to require that a consumer-owned transmission and distribution utility be licensed under section 3203 in order to provide retail generation service within its service territory.'

SUMMARY

This amendment, which is the minority report of the committee, exempts current contracts held by consumer-owned transmission and distribution utilities from the
