COMMITTEE AMENDMENT "A" to H.P. 937, L.D. 1278, Bill, "An Act To Stabilize Solid Waste Management Funding"

Amend the bill by striking out everything after the enacting clause and before the summary and inserting the following:

'Sec. 1. 38 MRSA §2201, 3rd ¶, as amended by PL 2005, c. 618, §21, is further amended to read:

Funds related to administration may be expended only in accordance with allocations approved by the Legislature for administrative expenses directly related to the office's and the department's programs, including actions by the department necessary to abate threats to public health, safety and welfare posed by the disposal of solid waste. Funds related to fees imposed on the disposal of construction and demolition debris and residue from the processing of construction and demolition debris may be expended only for the state cost share to municipalities under the closure and remediation cost-sharing program for solid waste landfills established in section 1310-F. Funds related to operations may be expended only in accordance with allocations approved by the Legislature and solely for the development and operation of publicly owned facilities owned or approved by the office and for the repayment of any obligations of the office incurred under article 3. These allocations must be based on estimates of the actual costs necessary for the office and the department to administer their programs, to provide financial assistance to regional associations and to provide other financial assistance necessary to accomplish the purposes of this chapter. Beginning in the fiscal year ending on June 30, 1991 and thereafter, the fund must annually transfer to the General Fund an amount necessary to reimburse the costs of the Bureau of Revenue Services incurred in the administration of Title 36, chapter 719. Allowable expenditures include "Personal Services," "All Other" and "Capital Expenditures" associated with all office activities other than those included in the operations account.

Sec. 2. 38 MRSA §2202, sub-§2, as enacted by PL 1989, c. 585, Pt. A, §7, is repealed.
