Amend the bill in section 3 in subsection 1-A in the 4th line (page 2, line 20 in L.D.) by striking out the following: "and Oxford County"

SUMMARY

This amendment is the minority report of the committee. It amends the bill by maintaining the distribution of revenue from slot machines operated at the Oxford County casino to the Sire Stakes Fund and the harness racing purse supplement account unless those funds receive slot revenue from a future facility, in which case the money would go to the State Transit, Aviation and Rail Transportation Fund as provided in the bill. The amendment also clarifies the money supports passenger rail service throughout the State, not just to Oxford County.

Fiscal Detail and Notes

This legislation provides that if the Sire Stakes Fund and Fund to Supplement Harness Racing Purses receives net slot machine income from a new facility, the amounts distributed to these funds from the Oxford casino will be forwarded to the State Transit, Aviation and Rail Fund within the Department of Transportation to support passenger rail service throughout the state. Currently, 1% of the net slot machine income from Oxford is projected to be deposited into each fund. The two racino proposals which will be on the November ballot contain provisions to deposit a total of 13.5% of net slot machine income into these funds.
