6 **SUMMARY**

7 This amendment makes certain technical changes to the bill to make the charter of the
8 Sanford Sewerage District consistent with applicable provisions of the Maine Revised
9 Statutes, Title 38. The amendment provides that, prior to proposing any amendment to
10 the charter to the Legislature, the trustees must present the amendment to the town
11 council of the Town of Sanford for review and comment. It also replaces the provision in
12 the bill that establishes the election to staggered terms of the trustees of the district to
13 remove the number of votes the trustees receive as the factor that determines the terms of
14 office.
