Notwithstanding any other provision of law, letters of guidance or concern are not 1 confidential. The office, board or commission may place letters of guidance or 2 concern, together with any underlying complaint, report and investigation materials, in a licensee's file for a specified period of time, not to exceed 10 years. SUMMARY

This bill amends the Charitable Solicitations Act to add the word "entity" to certain definitions for consistency; change the disclosure requirement for commercial co-venturers to encompass services as well as goods; authorize the Commissioner of Professional and Financial Regulation to deny the license application of an entity that has been, or whose principals have been, convicted of a felony or of a misdemeanor involving dishonesty; require an applicant whose license previously has lapsed to file an annual fund-raising activity report for the previous calendar year; and change the provision
 pertaining to the unauthorized use of names to limit this prohibition to those instances in
 which such use is made in a manner intended to mislead.

The bill changes the name of the Office of Licensing and Registration in the Department of Professional and Financial Regulation to the Office of Professional and Occupational Regulation. The bill also clarifies that an individual who engages in any activity that requires a license, without first obtaining a license, commits a civil violation of unlicensed practice. The bill removes references to boards that have been repealed. It authorizes an office, board or commission to assess a licensee who appeals a board decision for the cost of reproducing and transcribing the hearing record.

The bill provides that a person who assists at an auction may not be a person who has had an auctioneer license denied, suspended or revoked in this State or in any other jurisdiction. In addition, the bill provides for a new ground for disciplinary action by the licensing board if a licensed auctioneer allows another to act as an assistant when that person has held an auctioneer license that was denied, suspended or revoked in this State or another jurisdiction.

17 The bill removes provisions of law relating to informal conferences with licensees 18 concerning certain disciplinary matters in the statutes of the Board of Chiropractic 19 Licensure, Nursing Home Administrators Licensing Board and the Maine Board of 20 Pharmacy to conform to the provisions of the Maine Revised Statutes, Title 10.

The bill moves provisions of law governing exceptions to the laws governing 21 licensing related to electrical installations from Title 32, section 1102-A to section 22 23 1201-A. It clarifies levels of supervision by master electricians of subordinate licensees. 24 The bill also requires that electricians contact state electrical inspectors for a permit 25 inspection before the wiring is enclosed and the sheetrock installed. Under current law, only the owner or occupant of a building is required to comply with an order of correction 26 27 issued by a state electrical inspector. This bill requires the electrician who performed the work that resulted in the order of correction to also comply with the order. 28

- The bill amends the occupational therapy laws to provide for a 6-month temporary license that may be extended for an additional 6 months, if necessary.
- The bill reduces the number of members on the State Board of Alcohol and Drug Counselors from 9 members to 5 members with 4 licensed alcohol and drug counselors and one public member appointed by the Governor. The terms of other existing board member positions will terminate on the effective date of the bill.
- The bill reduces the term of a temporary license for a person to practice respiratory care from one year to 90 days. Such a license may be extended for an additional 90 days if necessary. The bill also reduces the required supervision of a temporary permit holder from direct supervision to general supervision.
- The bill clarifies that the current branch office licensing requirement for a real estate brokerage business does not extend to home offices of real estate licensees. In addition,

- the bill requires that a brokerage agreement between a real estate brokerage agency and a
 client must include a statement that the agreement creates an agency-client relationship.
- The bill clarifies that members of the Board of Real Estate Appraisers and investigators are not subject to certain professional appraiser practices when they review complaint matters.
- 6 The bill creates a limited barber license; changes references to "manicuring" to "nail 7 technology" to reflect current industry terminology; increases the time period for initial 8 licensure after passing the examination for applicants seeking licensure in barbering, 9 cosmetology, nail technology or aesthetics; eliminates the student requirement and 10 replaces it with a student roster report at no cost; eliminates certain location restrictions 11 on mobile establishments; and makes other minor technical changes.
- 12 The bill amends the laws governing massage therapy to require that a licensee who 13 applies for license renewal more than 90 days after the expiration date is subject to all 14 requirements governing new applicants.
- 15 The bill adds an eligibility provision for foreign educated applicants and changes the 16 name of the Board of Speech-language Pathology, Audiology and Hearing Aid Dealing 17 and Fitting to the Board of Speech, Audiology and Hearing.
