14 **SUMMARY**

15 This bill allows the Director of the Bureau of General Services within the Department
16 of Administrative and Financial Services to waive the requirement of competitive bidding
17 for the purchase of goods and services if the purchase is part of a cooperative project
18 between the State and a private, nonprofit, regionally accredited institution of higher
19 education with a main campus in this State involving an activity assisting a state agency
20 and enhancing the ability of the institution to fulfill its mission of teaching and research.
21 The bill removes the requirement that the waiver be for an activity that has a public
22 service component. Current law allows for such a waiver in the case of a cooperative
23 project between the State and the University of Maine System or the Maine Community
24 College System.
