# COMMITTEE AMENDMENT

ROFS

1 within the territory described in section 1 of this Act at an election called and held for that  
2 purpose, except that this Act takes effect for all purposes immediately upon its approval if  
3 a majority of the legal voters within the territory described in section 1 of this Act voting  
4 at a referendum held after January 9, 2012 and prior to approval of this Act vote in favor  
5 of the question specified in this section. Even if the municipality has not accepted the  
6 secret ballot voting, the election must be called, advertised and conducted according to  
7 the law relating to municipal elections, including the Maine Revised Statutes, Title 30-A,  
8 section 2528. For the purposes of registration of voters, the registrar of voters must be in  
9 session the secular day preceding the election. The subject matter of this Act is reduced to  
10 the following question:'

11 Amend the bill in section 7 by striking out all of the last indented paragraph (page 3,  
12 lines 1 to 4 in L.D.) and inserting the following:

13 'If a referendum is not held after January 9, 2012 and before approval of this Act or a  
14 referendum is held between those dates but a majority of the legal voters within the  
15 territory described in section 1 of this Act do not vote in favor of the question specified in  
16 this section, this Act takes effect for all purposes immediately upon its approval by a  
17 majority of the legal voters voting at an election held at a later date. Failure to achieve the  
18 necessary approval in any referendum does not prohibit subsequent referenda consistent  
19 with this section.'

20 Amend the bill by relettering or renumbering any nonconsecutive Part letter or  
21 section number to read consecutively.

22 **SUMMARY**

23 This amendment strikes redundant language from the bill. It adds a time frame  
24 according to which the trustees of the water district must be appointed and strikes the  
25 exception that the registrar of voters is not required to prepare or the clerk to post a new  
26 list of voters. Because of the limited time frame to secure funding to address water  
27 contamination in the New Gloucester Upper Village, the referendum for the legal voters  
28 to approve the creation of the New Gloucester Water District has been scheduled at a  
29 time that may occur before legislative approval of the bill as amended. Because of the  
30 unique and extraordinary circumstances giving rise to the bill, the bill and this  
31 amendment allow for that referendum to be held before legislative approval. If the  
32 referendum is held prior to legislative approval and the majority of legal voters approve  
33 creation of the water district, the bill as amended will take effect immediately upon the  
34 Governor's signature. If the referendum occurs after legislative approval, the bill as  
35 amended will take effect if approved by the majority of legal voters voting in the  
36 referendum.
