This amendment establishes an alternative that provides legislative candidates in contested races the opportunity to qualify for supplemental funds to support their campaigns. Under this amendment, a contested candidate certified to participate in the Maine Clean Election Act is able to qualify for an additional distribution made after September 1st of the election year upon request of the candidate. In order to qualify for the supplemental payment, a candidate for the House of Representatives needs to collect an additional 30 qualifying contributions and a candidate for the Senate is required to collect 100 additional qualifying contributions. The amendment doubles the amount of seed money contributions legislative candidates may receive. The amendment authorizes the Commission on Governmental Ethics and Election Practices, if it determines that the funds budgeted for the 2012 election cycles are more than needed, to distribute those excess funds evenly between legislative candidates in contested races prior to October 1, 2012. The amendment also adds an appropriations and allocations section.

Fiscal Detail and Notes

This floor amendment retains the original bill's repeal of requirements related to qualification for and distribution of matching funds. It also specifies distributions to candidates during the 2012 election cycle, creates an opportunity for legislative candidates in contested general election races to qualify for a supplemental payment and repeals Resolve 2011, c. 89, which reduced the amount distributed during the 2012 election cycle to 5% less than the amount distributed during the 2010 election cycle. The incremental impact as compared to the original bill is an increase in Other Special Revenue Funds allocation to the Commission on Governmental Ethics and Election Practices of \$211,850 in fiscal year 2011-12 and \$140,856 in fiscal year 2012-13. This analysis assumes participation in the Maine Clean Elections process during the 2012 election cycle will be consistent with the 2010 election cycle.
