7 SUMMARY

8 This amendment is the majority report of the Joint Standing Committee on Judiciary.
9 It replaces the bill. It provides a temporary public records exception for records relating
10 to the deliberative process of the Governor for legislative proposals and budgeting
11 proposals and requests.

12 "Records relating to the deliberative process of the Governor" is defined to mean all
13 records containing predecisional advice, opinions, deliberations or recommendations
14 created by the Governor or the internal staff of the Governor and maintained within the
15 exclusive custody and control of the Governor or the internal staff of the Governor. The
16 internal staff of the Governor consists of the chief of staff, legal counsel, director of
17 policy and employees under their direct supervision. The records become public when
18 the first of the following occurs:

- 19 1. The records are made available to any person or agency outside the internal staff
20 of the Governor;
- 21 2. The records are publicly distributed in accordance with legislative rules;
- 22 3. Adjournment of the Legislature for which the records were prepared occurs; or
- 23 4. Six months from the creation of the records has passed.

24 This amendment provides that the public records exception for the records relating to
25 the deliberative process of the Governor is repealed December 31, 2013.
