Amend the amendment by striking out all of the first indented paragraph and all of  
the substitute title (page 1, lines 11 to 14 in amendment)

Amend the amendment by striking out all of sections 1 to 3 and inserting the  
following:

**'Be it enacted by the People of the State of Maine as follows:**

**Sec. 1. 20-A MRSA §5205, sub-§6-A is enacted to read:**

**6-A. Interdistrict enrollment policies.** The school boards of 2 or more school  
administrative units may adopt mutual policies allowing the transfer of students, with  
parental approval, among the participating units. The policies must set forth procedures  
and standards governing the transfers, including but not limited to the school year or  
years in which the policy applies, application procedures and standards of responsibility  
for transportation and special education. Each school board adopting a policy under this  
subsection shall file a copy of the policy with the department prior to the effective date of  
that policy and shall provide timely notice of the policy to residents of the school  
administrative unit governed by that school board. For the purposes of chapter 606-B, a  
student transferred under this subsection is considered a resident of the school  
administrative unit to which the student transferred.

**Sec. 2. Department of Education to convene a stakeholder group to  
develop a public school choice model.** The Commissioner of Education, or a  
designee of the commissioner, shall convene a stakeholder group and shall invite the  
participation of a representative from the Maine School Board Association, the Maine  
Principals' Association, the Maine Education Association and the Maine Administrators  
of Services for Children with Disabilities; a superintendent from a rural part of the State  
and a superintendent from an urban part of the State, named by the Maine School  
Superintendents Association; and 6 other members, including parents and others with an  
interest in education issues, appointed by the Governor. The stakeholder group shall  
develop a publicly funded school choice model that addresses the difficulties inherent in
