STATE OF MAINE

SENATE

125TH LEGISLATURE

SECOND REGULAR SESSION

COMMITTEE AMENDMENT "A" to S.P. 650, L.D. 1865, Bill, "An Act To Enhance Career and Technical Education"

Amend the bill in section 2 in subsection 2-A in paragraph E in the 2nd line (page 2, line 6 in L.D.) by striking out the following: "2012-2013" and inserting the following: '2013-2014'

Amend the bill in section 4 in §8451-A in the 3rd line from the end (page 3, line 3 in L.D.) by striking out the following: "center" and inserting the following: 'region'

Amend the bill by adding after section 5 the following:

**'Sec. 6. Memorandum of understanding with career and technical education system.** The Chancellor of the University of Maine System and the President of the Maine Maritime Academy shall each enter into a memorandum of understanding with the Department of Education that establishes a process by which the University of Maine System and the Maine Maritime Academy will each review programs of the career and technical education centers and career and technical education regions established in the Maine Revised Statutes, Title 20-A, chapter 313 that are using national industry or state certification standards to determine the nature and amount of college credit that must be awarded upon successful completion of an approved secondary school program. College credits must be awarded upon completion of a program directly to the student regardless of whether the student has matriculated in the college or university awarding the credit. The awarding of college or university credits to a secondary career and technical education student does not entitle the student to acceptance into the college or university awarding the credits.'

SUMMARY

This amendment is the majority report of the Joint Standing Committee on Education and Cultural Affairs. The amendment provides for a one-year delay, from the 2012-2013 school year to the 2013-2014 school year, for the implementation of the provision in the bill that requires that there may be no more than 5 dissimilar days in regional school

**COMMITTEE AMENDMENT**

1 calendars coordinated between school administrative units affiliated with career and  
2 technical education programs.

3 The amendment makes a technical correction to the provision of the bill that provides  
4 that career and technical education students are eligible for academic credit in their high  
5 school programs for academic competencies gained through separate or integrated  
6 courses provided by a career and technical education region.

7 The amendment also directs the Chancellor of the University of Maine System and  
8 the President of the Maine Maritime Academy to each establish a process for determining  
9 the nature and amount of college credit that must be awarded to a student upon  
10 completion of an approved secondary school program through a career and technical  
11 education program that uses national industry or state certification standards. The process  
12 will be set forth in a memorandum of understanding with the Department of Education.

## An Act To Enhance Career and Technical Education

**Fiscal Note for Bill as Amended by Committee Amendment "A"**

**Committee: Education and Cultural Affairs**

**Fiscal Note Required: Yes**

### Fiscal Note

State Mandate - Unfunded

#### State Mandates

**Required Activity**

Reduces from 9 to 5 the allowable number of instructional days that school calendars of school administrative units (SAU's) affiliated with a career and technical education center or within a career and technical education region are not aligned with the regional school calendar effective with the 2013-2014 school year.

**Unit Affected**

School

**Local Cost**

Moderate  
statewide

The required local activities in this bill may represent a State mandate pursuant to the Constitution of Maine. Unless General Fund appropriations are provided to fund at least 90% of the additional costs or a Mandate Preamble is amended to the bill and two-thirds of the members of each House vote to exempt this mandate from the funding requirement, municipalities may not be required to implement these changes.

#### Fiscal Detail and Notes

Additional costs to the Maine Community College System to establish the required process can be absorbed within existing budgeted resources.

Additional costs to the University of Maine System and the Maine Maritime Academy to establish the required process through a memorandum of understanding with the Department of Education can be absorbed within existing budgeted resources.
