STATE OF MAINE

SENATE

126TH LEGISLATURE

FIRST REGULAR SESSION

COMMITTEE AMENDMENT "A" to S.P. 38, L.D. 87, Bill, "An Act To Improve Community Mental Health Treatment"

Amend the bill by striking out everything after the enacting clause and before the summary and inserting the following:

Sec. 1. 34-B MRSA §3004, sub-§2, as amended by PL 1995, c. 560, Pt. K, §33, is further amended to read:

2. General policy. The department shall develop programs to:

A. Promote and support the development and implementation of comprehensive community support systems to ensure community integration, rehabilitation and recovery and the maintenance of a decent quality of life for persons with chronic mental illness in each of the mental health service areas in the State; and

B. Strengthen the capacity of families, natural and peer networks, self-help groups and other community resources in order to improve the support for the treatment and recovery of persons with chronic mental illness;

C. Provide mental health services to persons with chronic mental illness in the least restrictive setting that is available and appropriate to the person's needs. Whenever possible, the setting and the services must be consistent with the person's choice. The services offered must, within reason, be geographically accessible and, with the exception of services provided in a residential treatment facility, be provided in the person's chosen permanent home at the level of intensity, of a duration and of a type necessary to meet the person's needs; and

D. Provide housing options to persons with chronic mental illness that can accommodate varying levels of support and assistance depending upon a person's needs.

Sec. 2. Appropriations and allocations. The following appropriations and allocations are made.

HEALTH AND HUMAN SERVICES, DEPARTMENT OF (FORMERLY BDS)

10 **SUMMARY**

11 This amendment is the majority report of the committee. The amendment replaces
12 the term "psychiatric rehabilitation" with "rehabilitation and recovery." The amendment
13 adds to the law amended in the bill, which is a general policy statement, language
14 regarding the Department of Health and Human Services providing services that are
15 appropriate to a person's needs, consistent with a person's choices and geographically
16 accessible. The amendment also adds an appropriations and allocations section.

Fiscal Detail and Notes

This bill includes a General Fund appropriation of \$5,659,250 in fiscal years 2013-14 and 2014-15 for the Department of Health and Human Services. This amount is the amount requested by the department to provide mental health services to conform with the consent decree and incorporated settlement agreement in the case of Paul Bates, et al. v. Robert Glover, et al., Kennebec County Superior Court, Civil Action Docket No. CV-89-88. The Governor's proposed budget for the 2014-2015 biennium includes a \$2,000,000 General Fund appropriation in fiscal year 2013-14 to conform with the consent decree and settlement agreement. The estimate of fiscal impact for this bill may need to be revised based on final legislative action on the 2014-2015 budget.
