7 **SUMMARY**

8 This bill eliminates the ability of health insurers to establish a separate premium rate
9 variation on the basis of geographic area, which was enacted as part of Public Law 2011,
10 chapter 90. The bill merges the rating bands for age and geographic area so that the
11 combined rate differential due to age and geographic area may not exceed a ratio of 3 to 1
12 beginning January 1, 2014 for all individual and small group health insurance policies.
