L.D. 292
(Filing No. H-54)

AGRICULTURE, CONSERVATION AND FORESTRY

Reproduced and distributed under the direction of the Clerk of the House.

**STATE OF MAINE
HOUSE OF REPRESENTATIVES
126TH LEGISLATURE
FIRST REGULAR SESSION**

COMMITTEE AMENDMENT "A" to H.P. 201, L.D. 292, Bill, "An Act To Protect the Public Health from Mosquito-borne Diseases"

Amend the bill by striking out the title and substituting the following:

'Resolve, Directing the Department of Agriculture, Conservation and Forestry To Develop a Plan for the Protection of the Public Health from Mosquito-borne Diseases'

Amend the bill by striking out everything after the title and before the summary and inserting the following:

'Sec. 1. Department of Agriculture, Conservation and Forestry to develop a plan for the protection of the public health from mosquito-borne diseases.

Resolved: That the Department of Agriculture, Conservation and Forestry is directed to develop, within existing resources, a plan for the protection of the public health from mosquito-borne diseases, in cooperation with appropriate personnel from the Department of Health and Human Services and with other state agencies as may be necessary. In developing this plan, the department shall consider, at a minimum, the ecological and economic impacts of proposed methods of controlling mosquitoes and preventing their breeding. These proposed methods must include integrated pest management techniques and other science-based technology that minimizes the risks of pesticide use to humans and the environment. The department shall include in the plan the criteria for declaring a mosquito-borne disease public health threat, the elements of a response to such a threat and a description of the lines of authority and responsibilities during a public health threat; and be it further

Sec. 2. Report. Resolved: That the Department of Agriculture, Conservation and Forestry shall report on its plan for protecting the public health from mosquito-borne diseases to the Joint Standing Committee on Agriculture, Conservation and Forestry by December 15, 2013. The Joint Standing Committee on Agriculture, Conservation and Forestry may report out a bill on the plan for the protection of the public health from mosquito-borne diseases to the Second Regular Session of the 126th Legislature.'

SUMMARY

This amendment is the unanimous report of the Joint Standing Committee on Agriculture, Conservation and Forestry. It replaces the bill with a resolve that directs the Department of Agriculture, Conservation and Forestry to develop a plan for the protection of the public health from mosquito-borne diseases, in cooperation with appropriate personnel from the Department of Health and Human Services. The resolve also requires that the department report on its plan to the Joint Standing Committee on Agriculture, Conservation and Forestry by December 15, 2013 and authorizes the committee to report out a bill on the plan to the Second Regular Session of the 126th Legislature.
