SUMMARY

This bill amends the laws governing the development and administration of the county portion of municipal cost component budgets for the unorganized territory.

The bill changes counties' annual deadlines for submitting to state officials their unorganized territory municipal cost component budgets from November 7th to February lst.

- 1 The bill separates a county's review of its unorganized territory municipal cost 2 component budget from its general fund budget review, thus allowing more time for both 3 processes.
- 4 The bill also eliminates the role of a county budget committee in approving an excess 5 or increase in the county growth limitation factor for the unorganized territory.
