10 **SUMMARY**

11 This amendment, which is the minority report of the Joint Standing Committee on
12 Labor, Commerce, Research and Economic Development, allows a minor under 16 years
13 of age to obtain a work permit from either the school superintendent or directly from the
14 Department of Labor, Bureau of Labor Standards when school is not in session during
15 summer break. Current law requires the minor to obtain the permit through a school
16 superintendent regardless of whether school is in session. The amendment also restores a
17 provision of law that was removed by the bill that specifies that a superintendent may
18 sign a permit for a student who is attending summer school only if the student is enrolled
19 in school, not truant, not under suspension and passing a majority of courses during the
20 current grading period. The amendment retains one sentence of the language regarding
21 triplicate permits and the master permit system, which was repealed by the bill, and
22 amends it to allow the Department of Labor to direct the superintendent to cancel a
23 permit when there is reason to believe the permit should be surrendered.
