SUMMARY

18 This amendment strikes and replaces the bill to make changes that are consistent with
19 the current statutory provisions established for awarding a high school diploma to
20 qualifying veterans of the United States Armed Forces who did not finish secondary
21 school during certain periods of wartime. The amendment adds provisions to the current
22 law that allow for awarding a high school diploma to a qualifying veteran who did not
23 finish secondary school during the period of wartime or peacetime that followed World
24 War II, the Korean Conflict or the Vietnam War.
