14 **SUMMARY**

15 This amendment separates paper copies from electronic abstracts and images for the  
16 purpose of fees assessed by county registries of deeds and further breaks down electronic  
17 copies into those downloaded at the office of a county registry of deeds and those  
18 downloaded from a county registry of deeds website. In current law, the cost for digital  
19 abstracts and images is 50¢ per page, with a fee of 5¢ per page for copies of 1,000 or  
20 more digital abstracts and copies of consecutive records. The amendment provides for a  
21 fee of 5¢ per image or electronic abstract for acquiring downloads of 1,000 or more  
22 consecutive electronic images or electronic abstracts from a county registry of deeds  
23 equipped to provide downloads. It also provides for no charge per image from a county  
24 registry of deeds website for the first 500 images or electronic abstracts, or a combination  
25 of the first 500 images and electronic abstracts, acquired by a person in a calendar year  
26 and 50¢ per image or electronic abstract for each subsequent image or electronic abstract  
27 acquired in the same calendar year. The amendment also removes the option for county  
28 commissioners to raise filing fees as provided in the bill and adds a definitions section.
