CONCEPT DRAFT

SUMMARY

This resolve is a concept draft pursuant to Joint Rule 208.

This resolve proposes to establish a task force composed of Legislators, highway users and other interested parties to study and analyze options for imposing tolls on portions of the Interstate Highway system in the State for the purpose of funding necessary highway improvements. The task force would analyze the advantages and disadvantages of imposing tolls, the financial and administrative requirements and the revenue potential from tolls and determine the extent to which federal constraints limit the State's authority.
