SUMMARY

24

This amendment removes the section of the bill that repeals the laws establishing the Cobscook Bay Rockweed Management Area 90 days after the adjournment of the Second Regular Session of the 126th Legislature. This amendment retains the provision of the bill that requires that the statewide fisheries management plan for a consistent statewide approach to seaweed harvesting be presented to the Joint Standing Committee on Marine Resources no later than January 31, 2014, but it clarifies that the plan must be provided to the committee for review and comment and gives the committee the authority to report out a bill related to the plan.
