1 **Be it enacted by the People of the State of Maine as follows:**

2 **Sec. 1. 37-B MRSA §505, sub-§2, ¶F**, as amended by PL 2007, c. 167, §8, is
3 further amended to read:

4 F. A child of a veteran who is attending state-supported postsecondary vocational
5 schools or institutions of collegiate grade must be admitted free of tuition including
6 mandatory fees and lab fees for associate's and bachelor's programs. The tuition
7 waiver provided under this paragraph may be reduced by an amount necessary to
8 ensure that the value of this waiver, combined with all other grants and benefits
9 received by the student, does not exceed the total cost of education. Room and board
10 may not be waived. A child of a veteran has 6 academic years from the date of first
11 entrance to complete ~~8 semesters~~ 120 credit hours. The director may waive the limit
12 of 6 consecutive academic years when the recipient's education has been interrupted
13 by severe medical disability ~~or~~, illness, learning disability or other hardship making
14 continued attendance impossible. Students must maintain at least a 2.0 or "C" grade
15 point average to continue receiving educational benefits. If a student's grade point
16 average falls below 2.0 or a "C," then the student has one semester to bring the grade
17 point average up to at least 2.0 or a "C." If after that semester the student's grade
18 point average is below 2.0 or a "C," the student loses educational benefits under this
19 paragraph until the student achieves a grade point average of at least 2.0 or a "C."

20 **SUMMARY**

21 This bill amends the laws governing postsecondary tuition waivers for the children of
22 certain veterans to provide that a child of a veteran has 6 academic years from the date of
23 first entrance to complete 120 credit hours. Current law provides that a child of a veteran
24 has 6 academic years from the date of first entrance to complete 8 semesters.

25 It adds a learning disability or other hardship to the circumstances under which the
26 Director of the Bureau of Maine Veterans' Services may waive the limit of 6 consecutive
27 academic years to complete the specified number of credit hours.
