SUMMARY

This bill expands medical coverage under the MaineCare program to adults who qualify under federal law with incomes up to 133% of the nonfarm income official poverty line, with the 5% federal income adjustment for family size, and qualifies Maine to receive federal funding for 100% of the cost of coverage for members who enroll under the expansion. Adults who will be eligible are those 21 to 64 years of age beginning January 1, 2014 and adults 19 and 20 years of age beginning October 1, 2019.
