SUMMARY

This bill removes language relating to the investment of the Maine Arts Commission endowment funds by the Treasurer of State and allows the Director of the Maine Arts Commission to expend endowment funds with the approval of the commission. It repeals the Maine Student Artist Awards Program, the arts outreach program and the Arts in Education Program and adds more general references to those programs in the duties of the commission. It requires the commission to conduct research on arts education in schools and operate arts education and outreach programs to combine the presentation of art with arts education. The bill also repeals several current duties of the commission.
