This bill requires a student from kindergarten to grade 5 to participate in a minimum of 30 minutes of daily physical activity at school. A physical activity period may not be denied as punishment or discipline. The bill does not prohibit a teacher from restricting a student's participation in physical activity if that participation presents a danger to the student or to others or if the restriction is consistent with the student's individual education plan. A teacher may provide an alternative physical activity for a student behaving inappropriately during a physical activity period.

The bill prohibits a public school from using food as a reward or punishment for a student's behavior or performance in kindergarten to grade 12.
