1 **Emergency preamble. Whereas,** acts and resolves of the Legislature do not
2 become effective until 90 days after adjournment unless enacted as emergencies; and

3 **Whereas,** despite the State's diverse potential film locations, available workforce
4 and competitive pricing for certain production expenses, the State's motion picture
5 industry lags behind other states due to the lack of a competitive incentive program; and

6 **Whereas,** a robust motion picture industry provides jobs, injects large amounts of
7 money into the local economy and has a positive impact on the tourism industry; and

8 **Whereas,** without rapid enactment of the tax incentives proposed in this legislation,
9 the State may not attract filmmakers that are scouting film locations in the State; and

10 **Whereas,** in the judgment of the Legislature, these facts create an emergency within
11 the meaning of the Constitution of Maine and require the following legislation as
12 immediately necessary for the preservation of the public peace, health and safety; now,
13 therefore,

14 **Be it enacted by the People of the State of Maine as follows:**
