

126th MAINE LEGISLATURE

SECOND REGULAR SESSION-2014

Legislative Document

No. 1599

H.P. 1170

House of Representatives, December 30, 2013

Resolve, Directing the Commissioner of Health and Human Services To Advance the Safe Handling of Hazardous Drugs To Protect Health Care Personnel

(EMERGENCY)

Approved for introduction by a majority of the Legislative Council pursuant to Joint Rule 203.

Received by the Clerk of the House on December 23, 2013. Referred to the Committee on Health and Human Services pursuant to Joint Rule 308.2 and ordered printed pursuant to Joint Rule 401.

Millicent M. Mac Jarland

MILLICENT M. MacFARLAND Clerk

Presented by Representative PRINGLE of Windham. Cosponsored by Representatives: FARNSWORTH of Portland, GRAHAM of North Yarmouth, SANBORN of Gorham.

- 1 **Emergency preamble. Whereas,** acts and resolves of the Legislature do not 2 become effective until 90 days after adjournment unless enacted as emergencies; and
- 3 Whereas, antineoplastic drugs are a known hazard to which health care personnel 4 are being exposed; and
- 5 Whereas, it is desirable to provide health care personnel protection from these drugs as soon as possible; and 6

7 Whereas, in the judgment of the Legislature, these facts create an emergency within the meaning of the Constitution of Maine and require the following legislation as 8 immediately necessary for the preservation of the public peace, health and safety; now, 9 10 therefore, be it

- Sec. 1. Commissioner of Health and Human Services to adopt rules. 11 12 **Resolved:** That the Commissioner of Health and Human Services shall adopt rules to establish an occupational safety and health standard for the handling of antineoplastic 13 14 drugs in health care facilities regardless of the setting. In developing the standard, the 15 commissioner shall consider input from hospitals; practicing physicians from affected specialties, including oncology; organizations representing health care personnel, 16 17 including registered nurses and pharmacists; and other stakeholders and shall determine a 18 reasonable time for facilities to implement new requirements imposed by the adopted standard. The standard, to the extent feasible, must be consistent with and not exceed 19 20 recommendations in the United States Department of Health and Human Services, 21 Centers for Disease Control and Prevention, National Institute for Occupational Safety 22 and Health 2004 alert entitled "Preventing Occupational Exposures to Antineoplastic and Other Hazardous Drugs in Health Care Settings," as updated in 2010. The standard may 23 incorporate applicable updates and changes to National Institute for Occupational Safety 24 25 and Health guidelines. Rules adopted pursuant to this section are routine technical rules as defined in the Maine Revised Statutes, Title 5, chapter 375, subchapter 2-A. 26
- 27

Emergency clause. In view of the emergency cited in the preamble, this 28 legislation takes effect when approved.

29

SUMMARY

30 This resolve requires the Commissioner of Health and Human Services to adopt by rule a standard for the handling of antineoplastic drugs in health care facilities regardless 31 32 of the setting. The resolve requires the standard to be consistent with and not exceed specific recommendations adopted by the United States Department of Health and 33 34 Human Services, Centers for Disease Control and Prevention, National Institute for 35 Occupational Safety and Health for preventing occupational exposures to those drugs in health care settings. 36
