SUMMARY

2 This bill provides that a license to take marine organisms issued to a member of the
3 Passamaquoddy Tribe, Penobscot Nation, Aroostook Band of Micmacs or Houlton Band
4 of Maliseet Indians by the tribe, nation or band is not valid until it has been submitted to
5 the Department of Marine Resources and the license holder has received written
6 confirmation that the license is valid. It creates a separate provision of law that describes
7 the activities in which a person who holds an elver fishing license may engage. It
8 clarifies that individuals who hold elver fishing licenses that authorize them to fish with
9 elver fyke nets may assist each other in handling the nets, as long as the license holder to
10 whom the elver fyke net tag has been issued is present and assisting. This bill
11 criminalizes the violation of assisting in the illegal harvest of elvers. It removes the
12 provision governing supplemental licenses for vehicles for elver dealers beginning with
13 the 2015 elver fishing season.
