## 29 SUMMARY

30 This amendment is the majority report. It strikes the bill and amends the laws  
31 regarding limitations on campaign contributions and expenditures to clarify that any  
32 expenditures made by a key person who has been affiliated with a campaign in the last  
33 120 days, regardless of whether the person has been paid or the actual duties the person  
34 has performed, or by a person who has received compensation from the campaign, are a  
35 contribution to the candidate. The amendment clarifies that the value of services  
36 provided by an individual without compensation are excluded in the definition of  
37 "expenditures." It also specifies categories of persons who are affiliated with a  
38 candidate's campaign for purposes of this provision. The amendment incorporates the  
39 term "agent" into the definition of "key person affiliated with the candidate's campaign"  
40 and thereby preserves the provision in existing law that designates expenditures by a  
41 candidate's agent as contributions to the candidate. The amendment also strikes the  
42 emergency preamble and the emergency clause from the bill.
