Amend the bill by striking out the title and substituting the following:

'An Act To Strengthen Disclosure to Consumers about Provider Networks in Health Insurance Plans'

Amend the bill by striking out everything after the enacting clause and before the summary and inserting the following:

'Sec. 1. 24-A MRSA §4303, sub-§19 is enacted to read:

A carrier offering a managed care plan shall prominently disclose to applicants, prospective enrollees and enrollees information about the carrier's provider network for the applicable managed care plan, including whether there are hospitals, health care facilities, physicians or other providers not included in the plan's network and any differences in an enrollee's financial responsibilities for payment of covered services to a participating provider and to a provider not included in a provider network. The superintendent may adopt rules that set forth the manner, content and required disclosure of the information in accordance with this subsection.
