11 SUMMARY

This bill makes technical and organizational changes to the penalty provisions of the laws regulating the registration of motor carriers. The bill repeals the Maine Revised Statutes, Title 29-A, section 551, subsection 6, which was unnecessary. The bill enacts Title 29-A, section 558-A, which separates crimes, traffic infractions and civil violations. The bill separates by subsections the crimes, traffic infractions and civil violations. The bill also amends the civil violation now in Title 29-A, section 558-A, subsection 4 by specifying that the fine imposed may not be greater than the fine amount provided in the Federal Motor Carrier Safety Administration's uniform fine assessment program. This bill also specifies the penalty for a traffic infraction instead of relying on the penalty described in Title 29-A, section 103, subsection 3.
