A reduction in fines will decrease General Fund revenue by minor amounts.

Fiscal Detail and Notes

The bill raises the number of traps that may be placed or maintained by individuals registered to obtain Swans Island Lobster Conservation Area trap tags from 550 to 600. This will increase Other Special Revenue Funds revenue from increased trap tag sales by an estimated \$1,100 to the Lobster Management Fund within the Department of Marine Resources in fiscal year 2014-15 and in every subsequent fiscal year.
