## SUMMARY

The purpose of this bill is to clarify that the Uniform Unclaimed Property Act does not presume the funds held by a financial institution for a prearranged funeral or burial plan are presumed abandoned until 3 years after the death of the person on whose behalf funds were paid into the plan. The bill amends the provision establishing the presumptive abandonment of demand, savings and time deposit accounts to specifically state that it does not apply to prearranged funeral and burial plans. Those plans are explicitly covered by the Maine Revised Statutes, Title 33, section 1953, subsection 1, paragraph P.
