**STATE OF MAINE
HOUSE OF REPRESENTATIVES
127TH LEGISLATURE
FIRST REGULAR SESSION**

COMMITTEE AMENDMENT "A" to H.P. 492, L.D. 716, Bill, "An Act To Amend the Fees for Snowmobile Registration"

Amend the bill by striking out the title and substituting the following:

'An Act To Amend the Fees for Snowmobile Registrations and To Create the Snowmobile Trail Fund Donation Sticker'

Amend the bill by striking out everything after the title and before the summary and inserting the following:

'Emergency preamble. Whereas, acts and resolves of the Legislature do not become effective until 90 days after adjournment unless enacted as emergencies; and

Whereas, Maine's snowmobile industry is a vital part of the economy and depends on the quantity and quality of the State's snowmobile trails; and

Whereas, the State's snowmobile trails are created and maintained by a volunteer network of snowmobile clubs supported in part by snowmobile registration fees; and

Whereas, these snowmobile clubs are struggling to maintain the snowmobile trail system at current funding levels, and, unless additional funding is provided for snowmobile trail creation and maintenance, the State's snowmobile trails will begin to deteriorate, causing economic hardship throughout the State; and

Whereas, as snowmobile trail creation and maintenance must be planned for and started well before the beginning of the snowmobile season, this Act must take effect prior to 90 days after the adjournment of the Legislature; and

Whereas, in the judgment of the Legislature, these facts create an emergency within the meaning of the Constitution of Maine and require the following legislation as immediately necessary for the preservation of the public peace, health and safety; now, therefore,
