26 State that the individual is certified as a program participant. The Secretary of State shall

## 29 SUMMARY

30 This bill amends the Address Confidentiality Program statute to make clear that the  
31 protected address of a certified program participant in the possession of a state or local  
32 government agency or court that has been authorized to use it for bona fide statutory,  
33 administrative or law enforcement purposes otherwise remains confidential and must be  
34 kept under seal and excluded from inspection by the public.

35 The bill amends the laws governing the registry of deeds and assessment of property  
36 taxes to provide address confidentiality protection to participants in the program upon  
37 request. In the registry of deeds, a program participant's Address Confidentiality Program  
38 identification number rather than name must be used in the record on the registry's  
39 publicly accessible website. A municipal assessor must include the identification number  
40 rather than the program participant's name in the assessment.
