**SUMMARY**

2

This amendment clarifies the intent of the bill by specifying that the credit is for expenses paid for a dependent for adult day care, hospice services and respite care. To distinguish the new credit from the child care expenses credit, the adult dependent care expenses credit only applies to dependents who are at least 21 years of age. Also, unlike the child care expenses credit, the expenses do not have to be incurred to enable the taxpayer to be gainfully employed. Like the child care expenses credit, the expenses may not exceed \$3,000 for one dependent or \$6,000 for 2 or more dependents and the credit is refundable up to \$500.
