## Fiscal Note

### Legislative Cost/Study

#### Legislative Cost/Study

This amendment reduces the number of meetings authorized from 6 to 4. The Legislature's proposed baseline budget includes funding for joint standing committees (excluding the Appropriations and Financial Affairs and Taxation committees) to meet a total of 32 times during the interim. The impact on baseline budgeted amounts of funding the 4 committee meetings for this study will depend on the allocation of meetings authorized by the Legislative Council and the Legislature.
