Current biennium cost increase - General Fund

### Fiscal Detail and Notes

The Department of Administrative and Financial Services has identified the need for General Fund appropriations for 3 additional positions for the 2016-2017 biennium to perform the data collection and review required by this resolve. Since this resolve does not contain emergency language, its effective date is assumed to be close to October 1, 2015. With a report deadline of January 4, 2016, any positions would be limited-period positions or contracted professional services for a short duration.
