STATE OF MAINE
HOUSE OF REPRESENTATIVES
127TH LEGISLATURE
FIRST REGULAR SESSION

COMMITTEE AMENDMENT "A" to H.P. 789, L.D. 1151, Bill, "An Act To Prevent the Infestation of Firewood by Invasive Species"

Amend the bill by striking out all of section 1 and inserting the following:

'Sec. 1. 12 MRSA §§8203 and 8204 are enacted to read:

§8203. Firewood emergency response group

The Commissioner of Agriculture, Conservation and Forestry shall establish a firewood emergency response group to respond to reports of infestation of firewood by invasive species. Membership in the firewood emergency response group may include one forest ranger, one public forester, one private forester, one entomologist, one landowner, one municipal official and one law enforcement official as the commissioner determines appropriate. At least once a year, the firewood emergency response group shall meet to develop and discuss educational programming and response efforts to prepare for an infestation incident involving firewood.

§8204. Firewood Infestation Education Fund

The Firewood Infestation Education Fund, referred to in this section as "the fund," is established. The fund is a nonlapsing fund administered by the Department of Agriculture, Conservation and Forestry for the purposes of educating the public about and promoting public awareness of the dangers of infestation of invasive species through the importation of firewood into the State, which may include Internet marketing, mapping resources and tools for landowners. Money in the fund consists of appropriations or allocations for the purpose of the fund and any other money, including federal money and other public and private contributions, deposited into the fund. Income from investment of the fund must be deposited to the credit of the fund.

Sec. 3. Appropriations and allocations. The following appropriations and allocations are made.

Fiscal Detail and Notes

The bill requires the Department of Agriculture, Conservation and Forestry (ACF) to establish a firewood emergency response group to respond to reports of infestation of firewood by invasive species and establishes the Firewood Infestation Education Fund within ACF for educational and promotional purposes. The bill includes Other Special Revenue Funds allocations of \$500 in each of fiscal years 2015-16 and 2016-17 to establish the fund. No revenue source is provided in the bill. Any additional costs to ACF to establish a firewood emergency response group are expected to be minor and can be absorbed within existing budgeted resources.
