This amendment, which is the majority report of the committee, replaces the bill. The amendment repeals unallocated language in Public Law 2011, chapter 380, Part UU that had set the child care subsidy reimbursement rates at the 50th percentile of local market rates. This amendment increases the reimbursement rates to the 60th percentile of local market rates beginning on August 1, 2016, the implementation date for the new child care and development fund plan for Maine.
