SUMMARY

This amendment changes the time frame in which a primary care provider of a child is deemed to be unavailable for employment for the purposes of the laws governing the collection of child support obligations from 3 years to the first 24 months of the child's life. The bill proposes changing it to the first 6 months.

COMMITTEE AMENDMENT "A" to H.P. 905, L.D. 1330

1 This amendment also removes the requirement that the Department of Health and
2 Human Services include blank forms for modification along with the notice that the child
3 support obligation is suspended while the obligor is receiving public assistance. These
4 forms are available online, and upon request, and are used by very few recipients of the
5 notice. Elimination of this requirement will save close to \$3,000 per year in printing and
6 mailing costs to the department.
