19 SUMMARY

20 Like the bill, this amendment implements recommendations of the Commission To
 21 Strengthen and Align the Services Provided to Maine's Veterans. This amendment also
 22 combines proposals from 5 Legislative Documents, L.D. 1343, L.D. 1590, L.D. 1611,
 23 L.D. 1612 and L.D. 1625, that improve the delivery of services and benefits to Maine
 24 veterans and provide tuition assistance to members of the Maine National Guard.

25 Part A requires the Director of the Bureau of Maine Veterans' Services within the
 26 Department of Defense, Veterans and Emergency Management to include marketing and
 27 outreach objectives as a core function of the bureau. The marketing and outreach
 28 objectives are intended to identify residents in the State who are veterans and also to
 29 maximize awareness of benefits and services available to veterans and family members of
 30 veterans. Part A also directs the bureau to acquire and implement an electronic records
 31 management system to create efficiencies and provide timely and effective customer
 32 service to veterans seeking assistance from the bureau. The bureau is required to serve as
 33 the primary source of information for veterans regarding the services, benefits and honors
 34 provided to veterans. Part A requires the director to employ 2 additional veteran service
 35 officers who are not assigned to a particular region but who will be directed to where the
 36 service needs of veterans are greatest and makes a current temporary position of outreach
 37 coordinator permanent.

38 Part B proposes changes to current law to address homelessness among veterans by
 39 requiring coordination of agencies that provide services to veterans to maximize
 40 resources available to support stable, permanent housing for veterans at risk of

R. of S.

1 homelessness. Part B requires that the Director of the Bureau of Maine Veterans'
2 Services within the Department of Defense, Veterans and Emergency Management be
3 appointed to an existing entity, the Statewide Homeless Council. Part B requires the
4 Statewide Homeless Council to develop a strategic plan to maximize existing services,
5 enhance communication among providers and improve access to services that support
6 permanent and stable housing for veterans. The director is required to report annually to
7 the joint standing committee of the Legislature having jurisdiction over veterans affairs
8 regarding the implementation of the plan and its effect on homelessness among veterans.
9 Part B authorizes the director to employ a veteran service officer whose duties include
10 working on tasks relative to homelessness among veterans.

11 Part C provides a sales tax exemption to all federally chartered veterans' service
12 organizations, beginning August 1, 2016.

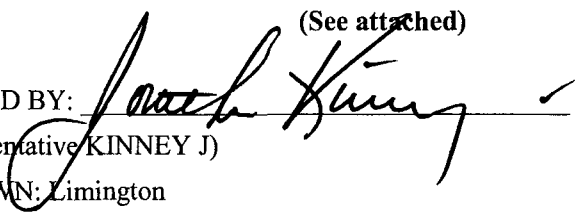

13 Part D establishes the Maine National Guard Postsecondary Fund to provide for a
14 100% tuition waiver at any state postsecondary education institution for qualified
15 members of the Maine National Guard. Part D also transfers funds to the new fund for
16 the costs of the tuition waiver program.

17 Part E directs the University of Maine System and the Maine Community College
18 System to identify the needs of student-veterans on their campuses, including needs
19 related to admission, degree completion, transitioning to civilian life and meeting
20 personal and financial obligations, and directs the University of Maine System and the
21 Maine Community College System to identify existing services that meet the needs
22 identified, assess the effectiveness of those services, determine what services are not
23 being offered that, if offered, would meet those needs and propose services and solutions
24 that fulfill those needs across campuses that are based upon best practices.

25 Part F provides for allocations to fund the initiatives proposed in this amendment
26 including deappropriating debt service funds from the University of Maine in order to
27 fund the tuition waiver for qualified members of the Maine National Guard and
28 transferring funds from the Gambling Control Board necessary to offset the costs of the
29 other initiatives.

Fiscal Detail and Notes

This amendment deappropriates \$2,500,000 in fiscal year 2016-17 from the Debt Service - University of Maine System program within the University of Maine System on a one-time basis due to a delay in the issuance of an estimated \$21,000,000 university revenue bond. The delay will move the debt service payments approved in Public Law 2015, Chapter 267 forward by one year and will end in fiscal year 2025-26. It also transfers the \$2,500,000 to the Department of Defense, Veterans and Emergency Management, Maine National Guard Postsecondary Fund to increase access to postsecondary education for National Guard members.

The amendment transfers \$628,720 from the Gambling Control Board administrative expenses, Other Special Revenue Funds account within the Department of Public Safety to the General Fund unappropriated surplus in fiscal year 2016-17. This account has sufficient resources to accommodate this transfer.

The amendment adds a General Fund appropriation to the Department of Defense, Veterans and Emergency Management for one Veterans Service Officer position and related costs.

This bill provides a sales tax exemption to all federally-chartered veterans' service organizations. It would result in a loss of General Fund revenue of \$80,546 in fiscal year 2016-17 and a loss to the Local Government Fund of \$1,643 in fiscal year 2016-17.
