13 **SUMMARY**

14 This amendment replaces the bill. Like the bill, the amendment establishes a
15 presidential primary and requires a person seeking to be a presidential candidate to
16 submit a nominating petition with the signatures of 2,000 to 3,000 registered voters in the
17 State who are enrolled in the candidate's political party. The amendment provides that
18 the Secretary of State must set the date of the primary for a Tuesday in March of a
19 presidential election year after consulting with state party committees. The amendment
20 directs the Secretary of State to make nominating petitions available and prepare the
21 ballots for the presidential primary. The amendment also includes a provision that will
22 repeal the subchapter establishing the presidential primary on December 1, 2018.

23 The amendment directs the Secretary of State to submit a report by December 2017
24 to the joint standing committee of the Legislature having jurisdiction over elections
25 matters regarding the fiscal impacts on the State and municipalities of conducting
26 presidential primaries. It also directs the Secretary of State to include in the report
27 recommendations regarding the administration of presidential primaries, including any
28 implementing legislation. These recommendations must specify the content and layout of
29 presidential primary ballots, ensure compliance with federal law governing overseas
30 voters and include other recommendations necessary for proper administration of a
31 presidential primary. The joint standing committee of the Legislature having jurisdiction
32 over elections matters may submit a bill regarding presidential primaries to the Second
33 Regular Session of the 128th Legislature.
