Fiscal Note for Bill as Amended by Committee Amendment

Committee: Health and Human Services

Fiscal Note Required: Yes

A(H-131)

Fiscal Note

Potential current biennium revenue increase - General Fund
Potential revenue increase to municipalities

Fiscal Detail and Notes

If the Department of Public Safety seeks and receives reimbursement under the bill, General Fund revenue would be increased. It is unknown if any, or how many, people will be billed and no estimate of revenue is made at this time.

Additionally, municipalities could also bill people for reimbursement under this bill and could receive increased revenues.
