Minor revenue decrease - General Fund

Minor revenue decrease - Other Special Revenue Funds

Fiscal Detail and Notes

The expansion of eligibility for complimentary hunting, trapping and fishing licenses including permits, stamps and other permissions to include nonresident disabled veterans who hold valid hunting and fishing licenses in their state of residence may decrease the number of nonresident hunting, trapping and fishing licenses purchased. The decrease in licenses purchased will result in a minor decrease in General Fund and Other Special Revenue Funds revenue to the Department of Inland Fisheries and Wildlife.
