19 **PART N**

20 This Part eliminates the requirement that the Maine Community College System
21 make contributions toward payment of the unfunded liability and administrative costs to
22 the Maine Public Employees Retirement System for retirees who elected to participate in
23 a defined contribution plan. This Part also repeals the obligation of the Department of
24 Administrative and Financial Services to develop long-term strategies to create funding
25 methods for future salary increases resulting from the Maine Community College System
26 collective bargaining process. This Part also authorizes the transfer of \$13,990,596 to the
27 General Fund that would otherwise lapse to the Salary Plan program. In the event that
28 there are not sufficient amounts to cover this transfer, this Part also authorizes the transfer
29 of funds from the Salary Plan program up to the amount necessary to meet the shortage.

30 **PART O**

31 This Part establishes a reserve fund within the Department of Administrative and
32 Financial Services for the operation of the Maine Military Authority and transfers
33 \$7,000,000 to that fund from the General Fund unappropriated surplus.
