HOUSE OF REPRESENTATIVES

128TH LEGISLATURE

FIRST REGULAR SESSION

COMMITTEE AMENDMENT "B" to H.P. 321, L.D. 454, Bill, "An Act To Ensure Safe Drinking Water for Families in Maine"

Amend the bill by striking out all of section 1.

Amend the bill in section 2 in §2601-A in the 2nd to last line (page 1, line 25 in L.D.) by inserting after the following: "contaminants" the following: 'or properties'

Amend the bill in section 3 in subsection 1 in the 2nd line (page 1, line 30 in L.D.) by inserting after the following: "contaminants" the following: 'or properties'

Amend the bill in section 4 in subchapter 8 by striking out all of §2660-T (page 2, lines 7 to 16 in L.D.) and inserting the following:

**§2660-T. Uniform testing recommendation; specified contaminants and properties**

The department shall develop a uniform recommendation for the testing for specific contaminants or properties for which residential private drinking water wells should periodically be tested. The uniform recommendation must specify contaminants or properties that should be included in the periodic testing, including but not limited to arsenic, bacteria, nitrates, nitrites, chloride, hardness, copper, iron, pH, sodium, lead, uranium, manganese, fluoride and radon, unless the department determines that testing for a contaminant or property listed in this section is not necessary based on previous test results or credible scientific evidence. The department or an entity that provides testing of or provides education or advertisements related to testing of a residential private drinking water well shall include the uniform recommendation developed by the department pursuant to this section in its written materials related to testing of a residential private drinking water well.'

Amend the bill in section 4 in subchapter 8 by striking out all of §2660-V (page 2, lines 29 to 34 in L.D.) and inserting the following:

Amend the bill in section 4 in subchapter 8 in §2660-X by striking out all of subsection 4 (page 3, lines 17 to 22 in L.D.) and inserting the following:

**4. Expenditures.** The division of environmental health within the department shall expend funds with the review and advice of an advisory committee established by the department. The advisory committee must include representatives from at least 2 laboratories certified pursuant to section 567. Preference in expending funds must be given to community-based programs that reach high-risk or underserved populations. The department may contract for professional services to carry out the purposes of this section.'

Amend the bill in section 4 in subchapter 8 in §2660-Y in the first paragraph in the 2nd to last line (page 3, line 26 in L.D.) by inserting after the following: "contaminants" the following: 'or properties'

Amend the bill by striking out all of section 5 and inserting the following:

**'Sec. 5. 32 MRSA §4700-H, sub-§8** is enacted to read:

**8. Educational materials.** The commission shall adopt rules to require the distribution of educational materials to a landowner when a residential private drinking water well is drilled or deepened to inform the landowner about the importance of testing for arsenic and other contaminants or properties specified in Title 22, section 2660-T. Rules adopted by the commission pursuant to this subsection are routine technical rules as defined in Title 5, chapter 375, subchapter 2-A.'

Amend the bill by inserting after section 6 the following:

22 **SUMMARY**

23 This amendment is the minority report of the committee and makes the following  
24 changes to the bill. It removes the requirement for private laboratories that test  
25 residential private drinking water wells to submit the test results to the Department of  
26 Health and Human Services. It adds additional enumerated contaminants or properties to  
27 be included in the uniform testing recommendation. It requires the department to update  
28 its education and outreach materials as needed and to recommend water testing through a  
29 state-certified laboratory. The amendment removes the requirement for landlords to  
30 conduct water tests. It provides that the allocations from the Private Well Safe Drinking  
31 Water Fund may be used to defray costs resulting from the department's waiver of fees  
32 for water supply testing upon a showing of indigency. It requires that the advisory  
33 committee for the Private Well Safe Drinking Water Fund include representatives from at  
34 least 2 state-certified laboratories. It requires that the Maine Water Well Commission  
35 distribute educational materials to landowners when a residential private drinking water  
36 well is drilled or deepened.
